-Overview of the Exhibition -

JAPANTEX2008<Interior Trend Show>

The JAPANTEX 2008 Interior Trend Show was favored by good weather and completed successfully. The opening ceremony of the exhibition was graced with the presence of Her Imperial Highness Princess Hisako of Takamado and Mr. Takamori Yoshikawa, Senior Vice Minister of Economy, Trade and Industry. Although the number of registered visitors (31,396) was slightly below that of the 2007 show, JAPANTEX 2008 continued to top the 30,000-mark for the third consecutive year and was bustling throughout the four-day show.

Since three exhibitions including JAPANTEX 2008 (Nippon Interior Fabrics Association), IPEC (Japan Federation of Interior Planner's Association) and Interior Festival (Japan Interior Industry Association) were held at Tokyo Big Sight West Halls concurrently, visitors were able to experience all aspects of interior design and decorations.
